

February 15, 2012

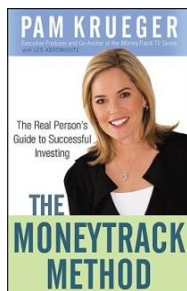

Last spring, many attended a celebration for the new branch office of JWKodak Capital Management in Naples. I do retirement planning for Drake, Saunders & Diwinsky based in Chatham, MA. In addition, I am an Investment Advisor Representative with JWKodak.* Together with JWKodak's Naples location, we each now have the ability to service clients both on Cape Cod and in the Naples area.(1)

After hosting a series of Women & Money educational tearoom chats on Cape Cod, I am bringing them to The Brambles English Tea Room in Naples on **March 8th, 2012 at 9:30am**. Additionally, I am excited to welcome a very special guest speaker, **Pam Krueger, Creator and Host of PBS's MoneyTrack** to lead one of our Naples sessions. Topics will range from retirement income planning, options for long term care to understanding basic financial terminology.

You can visit our website at **www.RetirementMoney.biz** to learn more about us or I can mail you a brochure. In the meantime, if you are interested in attending one or more of these sessions, please call me at 866-842-7722 or email Jane@RetirementMoney.biz. Space will be limited.

Sincerely,
Jane Bourette
